

CHEVVOO

VAN-EM21

Travelling together all the way

Product Details

45 degrees on the front side

the front side

cargo box internal

the side

12.3-inch touchscreen

dashboard

handed transmission

Cargo

SYSTEM	Category	5M-Cargo
Basic parameters	Overall Dimensions mm	4998×1970×2188
	Seats	3
	Cargo Box Internal Dimensions mm	2663×1850×1642
	Cargo Box volume m ³	8.1
	Wheel base mm	3315
	Payload Capacity kg	1312
	GVW kg	3500
	Maximum speed km/h	120
	Body form	skateboard bearing type
Chassis	Battery Capacity kwh	83.67
	WLTP Range km	335
	Battery brand	CATL
	Peak Power kw	75/150
	Peak Torque NM	170/330
	Tire	215/75 R16 LT 12PR
	Charging mode	DC charging + AC charging
	External discharge	15kW-AC
	Front suspension	McPherson independent suspension
	Rear suspension	Double wishbone independent suspension
	Braking form	Disk/Disk
	Support Form	Electro-hydraulic
	Parking mode	EPB
	Automatic Parking	●
	ESC	●
	Hill Descent Control	●
Body	External rearview mirror	Manual folding, electric adjustment, with heating under power
	Body Color	White
Interior	Air-conditioning form	Single system air conditioning
	Seat adjustment	●
	Seat material	Fabric seat
	Steering wheel	Multifunction steering wheel
	Open tailgate	Double tailgate opening 270° + 90° limit
	Underfloor	Wear-resistant PVC+Felt
Function	Keyless start PKS	●
	Electronic shift	Handed transmission
	Reserve space for alcohol lock interface	●
	Instrumentation System	12.3-inch touchscreen

Cargo

SYSTEM	Category	5M-Cargo
Safety	Driver airbag	●
	Co-pilot airbag	●
	Front side airbag	●
	FCW front collision prevention	●
	AEB automatic emergency braking	●
	CC cruise control	●
	ACC adaptive cruise control)	●
	LDW Lane Departure Warning	●
	LDP lane departure control	●
	LCC Lane Centering Assist	●
	ISA Intelligent Speed Assistance	●
	IHBC Intelligent High Beam Control	●
